

FUN TUNES FOR MY FURRY FRIENDS

FOR CELTIC HARP

TABLE OF CONTENTS - NOTES

Our pets are such an important part of our families these days. So I decided to write some tunes for some of my furry friends. These sweet little animals all have such different personalities which I attempted to capture in their tunes. I hope that as you play these fun little tunes, you feel like you know these special furry friends at least a little bit. And I hope these tunes bring a smile to your face and you enjoy playing them as much as I enjoyed creating them. Happy Harping! Carol
